We would like to thank  
the merchants and businessmen

Pleasure, as Webster puts it, is a thing that gives delight or satisfaction.

Speaking for the entire committee this is our sole desire, to provide a Fiesta Days Celebration that will bring pleasure to all age groups.

Every effort has been made to make your visit with us during this year's celebration, a memorable one.

Thank you's are extended to the fine working committee, City Council, Merchants, and supporting Vacavillians who helped make this celebration possible.
